

# Go With the Flow

A Fun-Filled and Interactive Water Education Assembly Program  
All NEW Show for the 2018-2019 School Year!

This show is **FREE**  
to your school thanks to  
generous sponsorship by  
Marin Waste Water Agencies!

Go with the Flow is an interactive and entertaining multi-media assembly program that educates students about water science and what happens to our water after it goes down the drain. Doug uses juggling, comedy and magic to teach students about wastewater, sewer science, and ways to protect the bay.

- The show is offered to classes grades 3-5.
- The performance runs approximately 40 minutes.

**“The students really got the message about the importance of water and the need to protect this valuable resource.”**

Donna Hellman, Sun Valley School, San Rafael

**“I’m not sure who enjoyed this show more, me or the kids.”**

– Leslie Lipman, Canal Children’s Ctr, San Rafael
